Introduction

In this course, the students will embark on a journey to explore the intricate beauty of the Arabic language through its grammar and syntax. This course is tailored to equip them with the essential skills to navigate the linguistic landscape of Arabic with confidence. Throughout this course, they will unravel the mysteries of Arabic sentence structure, mastering the art of constructing meaningful sentences that convey their thoughts with clarity and precision. From identifying subjects and predicates to understanding word order and syntax, they will gain a deep appreciation for the architecture of Arabic sentences.

As they progress, they will uncover the hidden treasures of Arabic morphology, unraveling the intricate patterns and structures that underlie Arabic words. Through insightful analysis and hands-on practice, they will learn

to decipher the meaning of Arabic words and construct their vocabulary with precision.

Pronouns and possessives will become their allies as they learn to navigate the nuances of Arabic grammar. From personal pronouns to possessive pronouns, they will understand their roles in Arabic discourse and learn to wield them effectively in communication.

Prepositions and conjunctions will serve as their guides, helping them navigate the intricate terrain of Arabic syntax with ease. They will learn to forge connections between words, phrases, and clauses, creating cohesive and coherent compositions in Arabic.

CO1	Understand the basic structure of Arabic Sentences
CO2	Learn to make simple Arabic sentences
CO3	Apply knowledge of Arabic parts of speech to analyze and create meaningful sentences.
CO4	Analyze and construct sentences of varying complexity, including simple, compound, and complex sentences.

Course Overview:

This course delves into the rich tapestry of Arabic literature, focusing specifically on the genres of drama and short story. Through an exploration of both classical and contemporary works, students will gain insight into the cultural, historical, and linguistic nuances that shape Arabic literary expression. The course aims to foster an appreciation for the diversity of voices and themes present in Arabic literature, as well as to develop critical thinking skills through the analysis of texts.

Course Objectives:

1. To familiarize students with key themes, styles, and techniques in Arabic drama and short story writing.
2. To explore the historical and cultural contexts that have influenced the development of Arabic literary traditions.
3. To analyze selected works of Arabic literature in depth, considering their narrative structures, character development, and symbolic significance.
4. To examine the intersection of language, identity, and representation in Arabic literature.

Course Outcomes:

CO 1	*Understand Dramatic Elements in Arabic Literature*
CO 2	*Analyse and Interpret Arabic Short Stories:*

Introduction

This course will embark on an exploration of the intricate world of Arabic language and literature, focusing specifically on the twin pillars of rhetoric and prosody. Arabic rhetoric and prosody have served as the foundation of eloquent expression, poetic beauty, and persuasive communication.

Arabic rhetoric, or 'Ilm al-Balagha, is the art of effective and persuasive speech. It encompasses the mastery of linguistic devices, figurative language, and rhetorical strategies to convey ideas with clarity, elegance, and impact. Arabic rhetoric has flourished as a discipline that celebrates the power of words to inspire, convince, and captivate audiences.

Alongside rhetoric, Arabic prosody, or 'Ilm al-'Arud, forms the rhythmic heartbeat of Arabic poetry. It involves the study of poetic meter, rhyme, and structural patterns that define the musicality and aesthetic appeal of Arabic verse. Through the mastery of prosody, poets harness the melodic potential of the Arabic language to create symphonies of sound and meaning that resonate with audiences across time and space.This course invites the students to explore the art and science of Arabic rhetoric and prosody.

Course Outcome:

CO1	Understand the basics of Arabic Rhetoric
CO2	Learn to make Arabic sentences rhetorically
CO3	Analyze Arabic poems in terms of meter, rhyme, and linguistic devices
CO4	Identify and classify different meters ('Arud) commonly used in Arabic poetry
