(ii) Circular of even No. dated 23.06.2020

The examinations in Affiliated Colleges, University Departments and Centres during the pandemic situation are conducted as per the references above. Most examination centres (including school centres) make necessary arrangement for the students under quarantine due to covid and contact, to take the university examinations. However, it is noticed that there are complaints from some students that certain colleges/ departments/ centres are not permitting the covid positive candidates to take the examinations and are insisting them to take covid special examinations if conducted.

It is not feasible to conduct covid special examinations for every regular/supplementary/improvement examinations as the special examinations are affecting the subsequent regular examinations.

Therefore, the Chief Superintendents/ Principals/ Heads of University Teaching Departments/ Assistant Directors/ Course Directors/ Course Coordinators are directed to permit students quarantined due to covid or contact, to take the examinations in separate rooms, adhering to the covid protocol.

Such students shall inform their PHC/ FHC/ CHC/ UHC (about the details of the examinations to be taken) and the Heads of the Institution in advance. These candidates can attend the examinations adhering to the covid protocol with necessary personal protection equipment. The Colleges/ Departments/ Centres shall report such cases to the PHC/ FHC/ CHC/ UHC nearby the institutions, immediately on the student's request.
